

in fact for the very reason. He was in Somerset's country
he was in the very same matter. He was at the taking of that
place was in the first that changed the circumstances
in one evening he had a horse blown up by a skull &
killed without knowing him, named the boys got married
from & that were in the long fight having about Charles
from the birth of Parkville. Thomas and Mrs are here
He has been taken up completely by the Yankees boys
lost all his property has sold his land & brought his two
children with him to this place - within request me
to say to you that he would like to get you to take
his two children and send them to let them go to
your school & he that he could give some training
& employment there. He would rather have them with
you than any one else. His children are about the
age of your children when in this country - James is
the eldest & is a fine boy to write - he could help
you make a crop & then go to school - he is an
industrious & will do any kind of work you set
him at. William is in a very bad condition
and could be glad to get into any kind of business
to make a living - I am totally unable to help
any thing - I tried last year to help make a little
crop of cotton but my work was very much
I have often to lay down in the field. He looks and
Mary would be very going to live with them. Thomas
is a small town about Smiths creek or Parkville in

country. Thomas is staying at a Mr. Seaman's a
somewhat of the the room he is anxious to go to Morris
his wife & two little children are at or near Clark
land in Ohio - her father lives there but I believe
last season must intend to do my thing for them
Thomas can't get into any business by school
to make any thing to assist them. Letters from
Morris's children by your Thomas speak in well
high terms of that country that it has put a great
many prisoners in the nation to more there.
James' destination & go for a while to do as he
my son that came to see me yesterday - but left the
morning - he has been looking & waiting in the
day - and is about to go to school at the college
this year Mr. Burman a son in law of Mr. By the
now has charge of the college. He is a first class
teacher & will have time to live with him and
go to his school & take in time joining the course
I mean after he got thro with his education.
What is among the students boys, I mean young just work
a one in the middle of them (my dear child) every body the
house John heard him to say in a way that to all.
The poor John has nothing and is seen in the room
My dear brother you can't imagine how much
I have suffered in the life of my dear children. No other
way to me a dear child - he prophesied nothing before
he died & have kept the in some secret &
I am desiring to live the life of christianity and
